Mayan Adventure

Emergency

1. It is our policy that we notify a parent when a child is ill or needs medical attention.
2. If we cannot contact parents and need to get immediate help for the child, our procedure is to call 911.
3. Please sign the consent below so that we can take appropriate action on behalf of your child.

I hereby give my consent to call a medical practitioner or ambulance for my child in the case of accident or illness if I cannot be immediately reached.

Mayan Adventure Camp Rules

We believe it's important that everyone has the best time possible while at camp. The rules are to ensure the safety, protection and comfort of all campers. It's a good idea to go over these rules with your child before he/she comes to camp, to make sure he/she knows and understands what is expected. Failure to adhere to these rules will result in consequences and resolution involving the camper, parents and Leaders.

1. There will be no electronic equipment (walkmans, discmans, gameboys, cell phones, etc.) knives, toy guns, or lighters at camp. These items are not inclusive to everyone in our camp community and will distract from working with robots and as part of a team. If your child must bring a cell phone, it is should be turned off and remain in their backpack at all times.
2. Parents are welcome to stay and observe the camp activities. It's fun to arrive around 3pm and watch the scoring rounds for the robot.
3. For your child's safety she/he must not leave the property without being signed out by someone listed on the form as allowed to pick up your child.

And finally, the most important rule: **Have fun at camp!**

Experience

Please describe your child's level of experience with LEGO building and robots.

Photos

Sign below if you consent to photos of your child (taken during the robotic camp) to be used on our website or in promotional material.
